

To Dr. Martin

I am here to express my appreciation that you have helped me a lot. You remember, my heart was almost inter a'd. I was desperate to get back my heart into normal conditions. But, it was not easy even to walk a mile. Now, after you treated me I am able walk and work.

What can I say to you help?

I am a living example. So many people who need must visit your office.

hesit and not list, God can
can do the impossible possible

Thank you

Elizabeth, G. Girma
